

Case:  
"Nashwa" - Hosted by Nashwa Al Ruwaini  
Broadcasted in Dubai TV, United Arab Emirates

“

After seeing the FogScreen used in a French television production, I knew I found the perfect new technology for enhancing my set design.

After recording several episodes I must confess the FogScreen has worked wonderfully and it's certainly an asset to the overall production quality of the show.”

— Nashwa Al Ruwaini

Event:

TV-show "Nashwa", hosted by famous TV-personality Nashwa Al Ruwaini. The program is a talk show for Dubai-TV.

Time:

Permanent installation, installed in February 2006
